Guarantee Letter

To Buyer: *****

Commercial Invoice No.: *****

Warranty time: within ten years from the date of loading the products. If the sheet life is ended due to pulverization, embrittlement and cracking without human-made damage, we will replace it for you.

Preconditions for validity of guarantee:

1. The sheet is designed to resist the weather interference factors, and it is suitable for industrial roofs and walls which were corroded by the acid-base salt mist and dust, and the aging caused by other factors are not included in the guarantee;
2. The long-term working temperature is within the range of - 20 °C to 60 °C;
3. The application has no defects in design and construction;
4. The sheet is free from the ponding, soaking and mechanical damage during storage, loading, unloading and installation;
5. The natural disasters and human-made damage caused by force majeure are not included in the guarantee;
6. The guarantee must be issued by the representative designated or authorized by the company.

Sincerely

SHENZHEN YUYI TECHNOLOGY CO., LTD.
